

Parents will need to mark down the specific days that your child will be attending and the time frames. This is beneficial to the daycare program so that we know, for safety purposes, the days and times that your child should be in our care and therefore be accountable for them. The # of days that your child signs up for **MAY NOT** vary from week to week. Parents must commit to paying for all of the days that they sign up for, regardless of whether your child attends or not. You are expected to pay for the days that your child is enrolled.

Withdrawal

It is required for parents to give a written two-week notice of withdrawal. If a written two-week notice is not given, parents will be charged the next two weeks of what their child's original enrollment form indicated. Once you withdraw your child from the program you can only be readmitted based on the space available in the program.
